

GUTHRIE
THEATER

Road Closure Parking Map

Due to temporary road closures and traffic in the Mill District, we recommend allowing extra time to drive and park near the Guthrie. Access to South 2nd Street in front of the theater is limited, as vehicles may only access South 2nd Street via Portland, Chicago and 9th Avenues.

To park in the city-owned Riverfront Ramp across from the Guthrie, vehicles may enter the ramp by turning right onto South 2nd Street from Portland or Chicago Avenues or by turning right onto 9th Avenue South from Washington Avenue.

If you have questions, please call the Box Office at 612.377.2224. Thanks for your patience and understanding, and we look forward to seeing you at the Guthrie.
