If you prefer to pay for parking on the day of the performance, the event parking rate is $10. You may pay at the exit with a debit/credit card. If you would like to pay with cash or pre-pay before you leave, take your parking ticket with you, use the pay stations in the ramp lobby after the show and insert your paid parking ticket at the exit.
Other parking options include nearby ramps (Mill Quarter Municipal Parking Ramp, Mills Fleet Farm Ramp) or metered street parking. Most meters near the Guthrie have a two-hour maximum. If you have disability plates or a parking certificate, you may park for up to four hours at a metered space free of charge.

Good to Know

DOORS OPEN
The doors to the theater will open approximately one hour before the show begins to allow ample time for you to find your seats and acclimate to the space. You may enter the theater any time before the show begins, but we recommend you start making your way to the theater 15 minutes before curtain.

USHERS AND STAFF
We will have extra ushers and staff on hand to welcome you to the theater, direct you to your seats, help you get settled and answer any questions before, during and after the performance. All staff will be trained and equipped to help make your experience the best it can be — and we can’t wait to see you.

CONCIERGE SERVICE
While maps and signage are helpful, having an expert by your side to help you navigate the building may be a welcome option for some. If you would like a Guthrie staff member to personally assist you during your visit, please contact the Box Office and ask about our concierge service. There is no extra charge for this service, but reservations are appreciated.
COMFORT ITEMS
Feel free to bring your own headphones, fidgets, electronic devices or other comfort items into the theater. When the performance begins, we ask that you put electronic devices away so you may fully engage in the beauty and magic of the show. Feel free to visit our lobbies, designated quiet areas or activity areas to use electronic devices.

FOOD AND BEVERAGE
A variety of food and beverage options are available for purchase on Level Five, from casual dining to grab-and-go coffee and snacks. Beverages are allowed inside the theater, but food must be enjoyed in the lobbies.

You are welcome to bring a water bottle and refill it at a drinking fountain. Please be considerate of the space and those around you, and take a moment to restore your area and dispose of any trash when you leave.
