

GUTHRIE
THEATER

Wi-Fi Assistive Listening System

The Guthrie has partnered with Listen Technologies to offer a Wi-Fi-based assistive listening system for patrons. It's an easy and discreet way to enjoy high-quality audio during a performance.

SETUP INSTRUCTIONS

1. Scan the QR code to download the free Listen EVERYWHERE app from the Apple App Store or Google Play. *Compatible with iOS and Android devices.*
2. Connect to the Guthrie's Guest Wi-Fi network.
3. Open the app and select the production you are attending.
4. Listen using headphones/earbuds or transmit the audio to hearing aids/cochlear implants via Bluetooth connection on your own device. Enjoy the show!
