

### Schedule

Below is a preliminary schedule for the High School Musical Theater Intensive. The schedule is subject to change as details are finalized including guest speakers, class focus areas, etc.

**NEW THIS YEAR:** On the first day of the Musical Theater Intensive, students will attend workshops that introduce them to three tracks: Dance Styles, Acting through Song (solo work) and Devising A New Musical. Then they will sign up for the track they are most interested in which they will explore over the two weeks. Please note that the tracks will not be the entire focus of the two weeks; they merely provide an opportunity for students to choose an area of interest.
