

GUTHRIE
THEATER

Seat Assignment Form

Attention Group Leaders

Complete this form with the name and seat number of each person in your group. This information is required of each group and is necessary in the case of lost tickets or the need to locate a patron in case of emergency. Without this information our staff is severely limited in its ability to assist the patron in this type of situation. Once you have completed the form, fax it in advance to 612.225.6237 or bring it to the ticket office when you arrive at the theater.

Student matinee performances at 10:30 a.m. also require the group leader to check in at the front desk to submit seat assignments upon arrival no later than 20 minutes prior to the performance. Ticket distribution should occur prior to entering the Guthrie with each seat assignment recorded on this form. Students will be directed upstairs via escalators or elevators immediately upon entry to facilitate traffic flow.
